

**Incredible Years** aims to work with and support families of young children, with behavioural difficulties. The programme offers parents support with:

- How to use play with a child
- How to use praise and reward to promote good behaviour
- How to communicate effectively with a child
- How to cope with specific problems
- Developing positive ways of disciplining children

The programme focuses on the importance of promoting positive behaviours and interpersonal issues such as building social skills and effective praise.

#### Criteria

- ❖ Parents with at least one child between the ages of 3 to 11 years old
